RE: Self-Certification of Support for Rural and Non-Rural High-Cost Carriers Pursuant to 47 C.F.R. Sections 54.313-314, CC Docket Nos. 96-45 and 00-256

To the Filing Representatives:

Standing Rock Telecom Inc. (SAC # 389 014) of the Standing Rock Indian Reservation hereby certifies that all federal high cost support provided to Standing Rock Telecom will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended. This includes High Cost Loop (HCL) support, Local Switching Support (LSS), High Cost Model (HCM) support, and high cost support received pursuant to the purchase of exchanges.

We are a new carrier to the reporting process and request your help in complying with all requirements. We just became aware of the lateness of this self certification and would like to speak with you regarding this.

If there are any questions regarding this report, please contact me, Mr. Miles McAllister, General Manager at the numbers and email listed below. Thank you.

Sincerely,

Miles McAllister, General Manager
